

BANQUET POLICIES

To insure availability of chosen items and delivery of products by our vendors, menus must be finalized three weeks in advance of function. Exact counts for pre-selected menu items must be given 72 hours in advance. If place cards are to be used they must be provided by the customer.

All food must be purchased through The Ritz Theater and Conference Center with the exception of special event cakes. No food will be brought in the premises. All alcoholic beverages must be purchased from The Ritz. All buffets are designed to provide service for up to 2 ½ hours. If the enclosed menus are not entirely to your specifications, our Chefs will work with the event coordinator to assist you in planning any special menu requests.

Additional services are available for an additional fee. Ask your coordinator for details on the services that you may require. The Ritz will provide additional staff, per your request, for an additional fee. A room re-set fee will be charged for any set-up changes made less than 24 hours prior to the event.
